**RATE and FEE SCHEDULE**

Effective July 2022

Rates and fees are established by the SAFD2 Prudential Committee and are reviewed annually.

<b>Charge</b>	<b>Description</b>	<b>Amount</b>
Base Rate	Covers the debt service in the approved budget and a portion of the fixed operating and maintenance costs.	\$798.08 per yr. per ERU*
Water Usage	Covers the purchase of water from the Village of Alburgh, including line flushing water and unaccounted for water, contingency and capital reserve, and a portion of the fixed operating and maintenance costs.	\$8.35 per 1,000 gal.
Special Fees/Charges	Covers items such as water on/off service and other service calls.	Per the Village rate schedule as a pass through.
Connection Fee	Required for a new service connection to the SAFD2 system. Must be paid prior to connecting.	\$2,500 per ERU* **

\*ERU – Equivalent Residential Unit - Defined as the water use of a single-family residential dwelling. State regulation sets an ERU at 450 gallons per day. Per Ordinance, the minimum allocation per property is one ERU.

\*\*Connection Fee Payment Plan – SAFD2 will consider a payment plan for the connection fee. If you wish to request a payment plan, please submit a letter with your connection application.
